

Infrastructure & Housing Finance Department
SBP Mortgage Training Program on Housing Finance

Infrastructure and Housing Finance Department (IHFD) of SBP is conducting a 5 days Mortgage Training (May 5, 2008 to May 9, 2008) at NIBAF Islamabad. The objective of the training is to enhance the skills and professional knowledge of officials engaged in mortgage lending and willing to do mortgage lending in Pakistan. The training modules are formulated in consonance with international best practices adopted by leading mortgage lending institutions in developed world. Eminent trainers of the industry will deliver the training. The training is organized to train the officers in middle level management of public sector, Banks/DFIs/HBFC and Builders & Developers involved in Housing Finance. For further information about mortgage training NIBAF Islamabad may be contacted.
